Just a reminder that we spend most of the session outside so, your child will need to have the following items in school when it is their time outside.

- waterproof coat
- waterproof boots or wellingtons
- old trainers
- old joggers/tracksuit bottoms as a first layer (no jeans/denim)
- warm socks
- waterproof trousers
- a water bottle
- a pump bag to carry the items

If your child is in forest school, they can come to school wearing any of these as long as they aren't going to overheat! Also remember to put a change of footwear in their bag.

If you have any questions please speak to me after school (Wednesday to Friday) or via email raynor@kingsleystjohns.co.uk

Many thanks,
Lisa Raynor
